Dear Colleagues and Esteemed Guests,

On behalf of the Tunisian Society of Aesthetic Surgery (STCE) and the Tunisian Union of Aesthetic Medicine (SYTMES), it is our honor to welcome you to PRISM Aesthetics—Pioneering Research and Innovation in Surgery and Medical Aesthetics.

This initiative marks a historic milestone for Tunisia, showcasing the synergy of two esteemed organizations committed to elevating excellence in aesthetic surgery and medicine. Together, we envision positioning Tunisia as a global hub for innovation, research, and collaboration in the ever-evolving field of aesthetics.

Prism Aesthetics Serves as More Than a Meeting Point Between Surgery and Medicine - It is a platform for Bridging Knowledge, Expertise, and Creativity. Through this collaboration, we like to inspire Groundbreaking Advancements, Equip Professionals with state-of-art techniques, and uphold the highest standard of patient care.

Let us celebrate this extraordinary partnership and collectively shape the future of aesthetic science and practice.

With warm regards,

Dr. Imène Ben Amara

President, Tunisian Union of Aesthetic Medicine
